

Launceston College

A Multi Academy Trust

21st September 2017

Dear Parents / Carer

I would like to invite you to a Key Stage 4 parent's information evening, to be held on Monday 2nd October at 6pm in E1; this is located on the ground floor of the English block and is easily accessible from the car park. This event is designed to help you support your child with their studies in Years 10 and 11, with the aim that all pupils achieve their potential at the end of their GCSE courses.

The start of Key Stage 4 is an important time for all students; even at this early stage in the course students have already commenced work in many of their courses which will contribute directly to their qualifications. During this evening, we aim to provide all parents with an overview of the courses students are following, with particular reference to GCSE Maths and English. Sources of support that parents can use to help their children study will also be provided. There will be an opportunity to ask questions at the end of the evening.

The evening will also cover the plans for Year 10 students during work related learning week, which will take place from the 2nd to the 6th July 2018. Students will have the opportunity to take part in a choice of activities during that week to develop their employability skills.

Other key dates for Year 10 include mock exams, which occur in January and February/March; timetables will be issued to students nearer the time. Learning review will take place on the 1st and 2nd of February, coinciding with our careers fair on the 2nd February. Parents evening will be held on the 11th January 2016, with reports being issued in June 2018.

Should parents be unable to attend this evening, information shared at the event will be available on the College website by Friday 5th October, 2017. If you have any queries about your child's progress, please contact their Tutor or Head of House, who will be happy to help.

Yours sincerely

Mrs L Slater
Deputy Principal – Key Stage 4.

Bryan Maywood
Launceston College Principal

Jack Jackson
MAT Chief Executive Officer
