

Launceston College Year 10 Options 2018

Name	
Tutor Group	

The options booklet is now available on our website.

All students will study a core programme of English, mathematics, science, RS, PE and IAG.

Students must select one science option from the following three choices (please tick):

	My Choice
GCSE Combined Science (no extra option selection required)	
GCSE Separate Science – Fast Track (no extra option selection required – you must have received a FT science selection letter to take this option)	
GCSE Separate Science (To select this option you must also select Separate Science as one of your option choices in the table below)	

You now need to complete the table below so that there is a total of five “clocks”. Please indicate in the final column your preferences in order. (**1 = top preference, 5 = least**). These will be your option choices. Most students will study a language, a humanity and two others – the 5th choice is normally a reserve only.

EXAMPLE

	SUBJECT	CODE	QUALIFICATION	CLOCKS	PREFERENCE
LANGUAGE	French / Spanish	8658	GCSE		2
HUMANITY	Geography / History	8035	GCSE		3
	Sport	4779	BTEC		4
	Motor Vehicle Studies	4220	IMI		1

TOTAL:

MY CHOICE

	SUBJECT	CODE	QUALIFICATION	CLOCKS	PREFERENCE
LANGUAGE	French / Spanish				
HUMANITY	Geography / History				

TOTAL: _____
