

Launceston College Performance Academy

Autumn Term 2021 – W/C September 20th to W/C December 6th (11 weeks)

We are pleased to announce that Performance Academy Clubs will recommence this year in their usual format. Each club will run at a charge of £1 per session. Income from each club enables expenses for trips, fixtures, external coaching and transport to be covered for every student who attends. Support for those who may have difficulty covering club costs is available, please reference this on the highlighted section of the permission slip at the bottom of the letter. There will be no clubs on the last week of term.

Payments for clubs can only be made via ParentPay, please contact the finance department if you have any issues in accessing this using the email address: finance@launcestoncollege.org.uk

Signed permission slips must be handed in at the PE office to a member of the PE Staff Monday 13th September to Thursday 16th September. All forms need to be returned a member of PE Staff in the PE Office before tutor time, during PE lessons or at break and lunch. Places for each club are allocated on a first-come, first-served basis. Students unsuccessful on getting into a selected club will be placed on a reserve list and a refund will be given to your lunch account.
