

Launceston College A-Plus

Silver Award (Year 10/11)

	ADVENTURE	PERFORMANCE	LEARNING	UNDERSTANDING OTHERS	SKILLS
SILVER - Criteria	1 week	5 times (Represent your house or the College in a performance at least five times).	80% on target (Achieve 80% on target from a data-capture that occurs in Year 11 - this must include English and maths).	5 times (Take part in five one-off events that serve others in the College, local or wider community).	50 Hours (Dedicate at least 50 hours to learning a skill - this can be attending a club either inside or outside of school).
SILVER – Evidence (This should include photos if possible and a write up of at least 100 words). <i>This is not an exhaustive list</i>	Attend an adventurous activity of at least 7 days, with an overnight stay. These days do not have to be consecutive so 10 Tors would count.	You must have represented your house or the College in a fixture or event where you have been a competitor / performer. Examples include football team, lego event, RSC, drama performance, green power etc.	You can either scan a copy of your data captures and upload it or write out your subjects, grades and targets out in the written section.	Have volunteered your time at least 5 times for the benefit of others. This can include having a house position, volunteering in a primary school etc.	This can include any skill that you have learned inside or outside of school for at least 50 hours e.g. scouts, tennis, choir, drama. The 60 hours must be in one discipline.
SILVER – Authenticate (To whom should I send my evidence to be authenticated).	Your tutor or the leader of the residential you went on.	To a member of staff who led you on this event.	Your tutor.	To a member of staff who led you on this event. If this event was outside of College you need to bring in evidence to show your tutor who will then authenticate your request.	To a member of staff who led you on this event. If this event was outside of College you need to bring in evidence to show your tutor who will then authenticate your request.
