

Outdoor Learning Resource

Newsletter *January 2020 update*

IAG All of year 9, following a theme of 'British Values' have lessons and have engaged in laying wooden chippings to maintain spring bulbs, filled mulch bags and again, painted their poppies.

8PJM following a 'Global Village' theme, sowed bulbs for late to inspire some graffiti art on the flagstone path, explored the finally painted their memorial poppies whilst enjoying a nibble

completed their the trails, planted

spring, used nature OL resource and and hot chocolate.

Nursery

Nursery children have continued to enjoy a range of experiences in the College Outdoor Learning Resource. Most recently however, they have barrow loads of chips have been front of College grounds has also habitats, planted baby potatoes in wild flower seeds and pricked out worked within their own area, where 30 x laid to make it less muddy for them. The been used. Children have made creature bags and acted as nature detectorists, sown forget me not seedlings, thus far.

Gardening

Forest

Castle ARB/SPRU

Castle students x 17, students Finn, Kayden, been instrumental in hedgehog houses, throughout. To do this range of sharp tools safely and effectively.

SPRU students, Becca, Lilly and Luke, main stream Keira, Elsie, Jonah, Leyland, Harry, Leo and Jess have maintaining the trails, hedgerows, dens, poppy tree, creature habitats, tree labels, features and fencing of course, they have had to learn how to use a whole

DS Smith I am delighted to have had an invitation to see DS Smith's proposed 'Launceston's Well Being and Sustainability Garden'. A reciprocal meeting for Peter Wayne Noble and Andrew Glover, to view our Outdoor Learning the ALC went ahead on Feb. 3rd. Following this, Castle ARB whilst working with Ms Unwin, went to see for themselves where helping to create that garden. Whilst there, they dug up some order to renovate 'Eden', our version of the reclining woman (see Heligan).

Griffiths, resource at students, they would be moss turves in lost Gardens
