Tiverton £10.00
Golant £8.00
Watersides £30.00
DW £40.00

* Friday Bude sessions will run when weather allows. Please bring both water and training kit to each session, if weather is very poor we will do fitness and/or maintenance sessions on site at the ALC.

There is a fee charged per session to cover fuel costs for transporting boats and a small charge towards wear and tear of equipment. This will be paid on a block basis, or before a significant event. A student will not be allowed on session they have not paid for the sessions in advance. Refunds will not be issued unless the session is cancelled and not rescheduled. Students are able to apply to use their 6th form bursary towards costs if eligible.

Competition for a place is fierce. You have to show commitment and dedication to progress. If you are not making suitable progress through the training you will be withdrawn
